Freelance Producer March 2022 – Present

Clients: Definition 6, Northern Lights, Investis Digital

- Supervise production of video content – create and manage timelines, track budget, collaborate on scripting and creative reviews, manage workflow, and supervise creative approvals with client. Oversee finishing, audio mix, and final delivery.
- Projects include multi-screen open sizzle for Fox Entertainment's Upfront event, Bobby Flay sizzle reel for Emmy consideration, promotional sizzles for the Salesforce annual DreamForce conference, and post-production for PetPlate TV commercials.

Senior Writer/Producer October 2014 – November 2020

Food Network & Cooking Channel

- Led the creative on promotional and marketing content – developing innovative strategic and conceptual brand campaigns to drive client's objectives. Projects include vignettes for digital and social media, 360 campaigns, branded video content, custom commercials, Upfront reels, sales and marketing reels, and promos.
- Supervised video shoots from ideation to execution, managing production partners and vendors, and leading cross-functional teams. Managed production workflow and served as main liaison between Legal, Design, Creative, and Ad Sales Marketing teams to streamline communication. Collaborated on the development of creative briefs, scripts, and all client-facing documents; editing and rewriting to ensure content was impactful and on-brand.
- Served as the main point person between production and client – troubleshooting and providing creative feedback on-set, and managing post-production – communicating clear and concise notes on video edits, graphic treatment, and sound design. Ensured deliverables were completed on-time, on-spec and on-budget. Produced multiple projects simultaneously under tight deadlines.
- Ideated creative pitches for the Ad Sales Marketing team, featuring client-specific sponsorship opportunities in various budgets from high-concept shoot ideas to turnkey opportunities incorporating graphic design and stock footage. Developed, wrote, and produced content for pitches that sold through.
- Trained, mentored, and managed a team of freelance writer/producers, and junior production staff.

Career Highlights

- Led the creative and production of multi-platform, multi-million dollar quarterly Food Network Kohl's product campaign, resulting in 45% increase in brand favorability, and 225% increase in product line purchases in 2019.
- Developed, wrote, and produced brand campaigns with feature film integrations for movie studios including Disney, Fox, and DreamWorks.
- Oversaw the creation and production of custom TV vignette, billboard, and social video content for 2020 Seapak Chopped-series branded campaign that increased brand favorability by 13% and purchase intent by 14%.
- Directed A-list network talent including Ree Drummond, Geoffrey Zakarian, and Giada De Laurentiis on co-branded partnership campaign shoots, and oversaw production.
- Wrote and produced integrated vignettes for nine seasons of the Food Network Star series, featuring multi-platform partnerships with Buick and Volkswagen.
